Statement from Governor Jan Brewer
Arizona softball team brings home national championship title

"Congratulations to Tucson's own Sunnyside Little League softball team on its historic victory. Last night, Sunnyside shut out a Virginia team 9-0 to earn the 2013 Little League Softball World Series championship title.

"With its momentous win, Sunnyside became the first-ever Arizona team to take home the title. Their triumph is a testament to the heart, perseverance and talent of these young players. They have certainly made our state proud!"
